

INTERNAL AUDIT

Greenville Quality System Audit

Prepared by	Internal Audit
Date / period	June 30, 2026
Status	Internal

Scope and observations

#	Observation
01	Reviewed electronics receipt inspection, traceability, and cabinet test evidence.
02	Supplier quality and rework labor remain monitored risks.
03	Blocked inventory is excluded from available quantity.

Overall assessment

Controls are generally designed as expected; listed follow-up items remain with the accountable process owners.
